

Larry L. Deskins Sr.

Scholarship Fund

Golf Foundation of Missouri

Larry L. Deskins Sr. was an active Board member of the Golf Foundation of Missouri and believed in its mission to teach life skills to underprivileged youth through the game of golf.

The scholarship was created to honor Larry and recognize the impact he had on the lives of those around him.

He believed in giving back to the community, developing young minds, and that education and hard work are the key to success. He mentored and inspired young African American men and women on the importance of these principles and helped them to expand their minds and pursue their dreams.

Founded in 2003, The Golf Foundation of Missouri is a 501(c)(3) organization whose mission is to “instill life’s lessons and values in St. Louis City youth through the game of golf.” In 17 years, The GFoM has raised \$1,300,000+, served 18,900 free lunches, offered free camps to 2,500+ youth, provided 210+ sets of new clubs to deserving youth. 11 have gone on to play High School golf, 1 is playing college golf.
